

Anne Oxenreider

Senior Data Analyst

Office of Institutional Planning
& Effectiveness (OIPE)

Integrated Enrollment Intelligence:

An AI-Powered Weekly Admissions Analysis Workflow

- ▶ **Team Built** recurring enrollment intelligence system using A.I.
- ▶ **Six deliverables per weekly cycle:** data analysis, executive report, interactive HTML dashboard, audio podcast, slide deck, and VC briefing email
- ▶ **Formal IT Security and Legal Review:** before any data was processed
- ▶ **Impact:** new enrollment insights; institutional knowledge in permanent analytical memory — continuity maintained

Analytical partner: **Claude (Anthropic)**
